Chapter II

Grievance 61

June 22, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 61

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

AUDIT

Voter suppression and fraud are the nation's biggest challenges. In Arizona, Michigan, Georgia, Wisconsin, Nevada and now Colorado forensic *audits* of the November 3, 2020 general election are being ordered up and conducted to find the truth. Why? Because the state *legislatures* of these states are doing their jobs to protect the integrity of their respective states elections. The state's legislatures are charged with everything to do with elections and work with the proper sovereign county officials to insure a free and fair election for all citizens.

Where is the California legislature on the issue of voter suppression, fraud and massive corruption in the California system?.....Crickets, Crickets and more Crickets from the California legislature. Unfortunately for the 40 million people of California and New California for over a year the state legislature has been absent from their duties doing nothing to protect the interests of anyone except for themselves.

Looking at these state's and their audits its readily seen their election systems are almost duplicates of the California model. We're all familiar with the phrase "as California goes so does the nation" its clear all the states in the United States did in fact follow California's model for the November 3, 2020 General Election. After all the California election model is "bullet proof", the very best in the nation, shining star of honesty and "integrity". Now these state's legislatures are realizing the enormity of California's corrupt "election system" and are taking action with forensic audits.

"The evidence is overwhelming the 120 California state legislators have ignored their duties, violated the First Amendment, destroyed businesses, families, failed to educate the children, and miss-led, and lied to the Citizens of California while violating their oaths of office".

AUDIT CALIFORNIA

If there is are two words that best describes the last election from a national view and from a California view the words “**SUPPRESSION** and **FRAUD**” come to mind. Now it is California’s turn to clear the rancid air surrounding the enormous election fraud in California with forensic audits of all 58 county’s election precincts.

INTENT TO SUPPRESS FORENSIC AUDITS

VOTER SUPPRESSION AND VOTER FRAUD have been prominent features of California's political system as long as the mono-party has been in power. The light is now shining on this illicit activity nationwide. Undeniable forensic evidence of fraud and corruption is being produced and is being prepared to support the case for the decertification of illegal ballots.

Forensic election audits are underway and are unstoppable, in spite of the mono-party's INTENT TO SUPPRESS THE FORENSIC AUDITS. FORENSIC AUDITS ARE THE MOST LEGITIMATE OF ACTIVITIES THAT BRING ACCOUNTABILITY TO GOVERNMENT.

CRIMES UPON CRIMES ARE MOUNTING - JUSTICE IS COMING

Those politicians and individuals who have committed the treasonous acts are presently adding crime upon crime to their treacherous actions. Tampering with evidence, destroying evidence, blocking the transparency that audits provide, are just some of the new crimes they will be individually held to account for. And, as if that weren't enough, they’re at the same time trying to alter our political systems to remove any and all checks and balances to their illegally obtained power.

NEW CALIFORNIA STANDS IN SOLIDARITY WITH THE FORENSIC AUDITS

New Californians stand in solidarity with those fellow American citizens in many other states WHO HAVE BEEN DISENFRANCHISED by a monopolistic political cartel posing as a political party. We stand in support of the patriotic Americans who are conducting forensic audits in counties and states where unprecedented election irregularities have certainly taken place.

After all it was the New California State Legislature who at their own personal expense conducted 29 Citizen Committee hearings with more than 39 counties participating from all over the state to listen to the concerns of the citizens between November 2020 through March of 2021. The California Legislature NEVER conducted any hearings outside Sacramento during the pandemic to hear the plight of their constituents.

POLITICIANS AND BUREAUCRATS ARE RUNNING FOR THE EXITS

Politicians and bureaucrats who are guilty of the TREASONOUS CRIMES ASSOCIATED WITH ELECTION FRAUD are already running for the exits and looking for the ratlines to safety, being exposed and held to account by a **WATERSHED MOVEMENT OF CITIZENS FILING AFFIDAVITS DEMANDING ACCOUNTABILITY.**

We will not have it in New California. We are free Citizens. We are Americans, and we will defend our Liberty.

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a pure totalitarian communist California state.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “*Acts of Insurrection*” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “*Acts of Secession*” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “*Abdication of their Responsibilities of Authority and Sovereignty*” over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military's use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
