Chapter II

Grievance 91

JANUARY 18, 2022

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

*We, the representatives of the undersigned Counties within the State of California, **do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....***

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 91

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY STOP PURE EVIL

EVIL IN THE “PROVINCE” OF CALIFORNIA

Some would argue there is nothing worse in the world than slavery. Visions of black people being bought and sold by slave brokers in Africa and then being shipped all over the world as “property” to work under horrific conditions until death immediately comes to mind. Then there are those that say in America in 1861 a great “Civil War was fought between the North and South and President Abraham Lincoln signed the Emancipation Proclamation and all slaves were freed.

In 2022 the issue of modern slavery is now front and center. You see slavery never went away after Lincoln signed the Emancipation Proclamation. The proclamation was just another paper signed by an American President. Slavery continued on in the world and even flourished with slave traders reaping enormous profits. Today as we watch the “invasion” along the southern border we see hundreds of thousands of slaves being “trafficked” that have been bought and sold by slave brokers in other countries streaming into the non profit religious organizations here into the “*Province of California*”. *These brokers are* reaping billions of dollars to provide “essential” services to the welcomed slaves. The trafficking of slaves into the “*Province of California*” *is a multibillion dollar industry.*

Now an insidious form of slave sales was exposed as the “unaccompanied” minors who are bought and sold in their own countries and “shipped” into the “*Province of California*” and placed into “government” agencies to be sold to the highest bidder.

Yet there are even more insidious evils where “high valued” child slaves from helpless newborn’s to 17 years olds who are trafficked from all around the world *for sex* into the “*Province of California*”. Some trafficked children are even resold and redistributed to other countries in Europe and Asia.

There is nothing more evil in the land, any land than child sex trafficking. One would agree the most horrific of all forms is the sex trafficking of newborns and yet the “*Province of California*” has been one of the largest suppliers around the world.

In an article in the New York Times from Dec. 27, 2012:

MOSCOW — President Vladimir V. Putin signed a bill on Friday that bans the adoption of Russian children by American citizens, dealing a serious blow to an already strained diplomatic relationship.....

The bill was approved unanimously by the Federation Council, the upper chamber of Parliament, on Wednesday, and on Thursday, Mr. Putin said he would sign it as well as a resolution also adopted Wednesday that calls for improvements in Russia's child welfare system. "I intend to sign the law," Mr. Putin said Thursday, "as well as a presidential decree changing the procedure of helping orphaned children, children left without parental care, and especially children who are in a disadvantageous situation due to their health problems."

President Putin recognized the dangers to children in his own country unlike like so many East European leaders who profited from the child sex trafficking of newborns into the "Province of California".

In late November of 2016 papers were delivered to the incoming President of the United States by the Russians that outlined in detail the individuals behind the child sex trafficking rings into the "Province of California" from Russia.

In an article from the Hal Turner Show on January 17, 2022:

"Russia expels diplomats and other staff from US embassy Moscow

Russia is starting to expel diplomats and other staff from the US embassy in Moscow; tells staff "AND TAKE YOUR RAINBOW FLAGS WITH YOU."

Russia is suppose to recall it's Diplomats from the USA on Jan. 31st. It appears they moved up the time table. Historically, expelling embassy staff is one of the last things you do before a major conflict."

In New California State, we echo the thoughts, convictions, principles, and ideals of the Founders of the United States of America. We will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to *any form of government*.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “**Acts of Insurrection**” against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United **States** federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “**Acts of Secession**” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “**Abdication of their Responsibilities of Authority and Sovereignty**” over the Citizens of the United States living in California State.

NEW CALIFORNIA STATE is the answer to limiting the runaway power of the corrupt bureaucracy of tyranny, surveillance, oppression, and control by the moneyed interests of supra-national corporations, NAZI, cartels and Communist China.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
