

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 83

NOVEMBER 23, 2021

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

New California State is a new state in development forming from the State of California. New California State is exercising its God Given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Section 3.

State of New California

Grievance 83

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

First Amendment, United States Constitution

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourteenth Amendment, United States Constitution

Section 3. *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

ORDER OF THE DAY

Your Right Your Duty

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

Governments long established should not be changed for light and transient causes; and accordingly all experience has shown mankind is more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed.

*However when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, **it is their RIGHT, it is their DUTY,** to throw off such Government, and to provide new Guards for their future security.*

In 2021 the pretenders to elected offices speak in unison, demanding lockstep obedience to transhuman vaccine protocols that apply to all, even children who have zero risk of contracting Covid, and those who have already recovered, and acquired the antibodies, which are more robust and organic than any form of artificial intervention, such as the dubious Covid "vaccines".

Although the criminal politicians, provide cover and protect their Big Pharma lords, it is now common knowledge that the "vaccines" area transhuman technology, such as that promoted by Klaus Schwab, and New World Order ally Bill Gates.

THERE IS NO SCIENCE THAT SUPPORTS CONTINUED COMPLIANCE WITH VACCINE MANDATES AND GUIDELINES

REAL SCIENCE acknowledges vaccine deaths. REAL SCIENCE acknowledges vaccine injuries. Real science is not driven by an agenda. New Californians want their lives back, and they know that continued obedience to the likes of Newsom and his cronies is not going to give them their lives back.

MANDATORY VACCINES IN CALIFORNIA ARE AN OBEDIENCE RITUAL, A LOYALTY OATH, AND AN ACT OF WORSHIP OF THE STATE, WHICH NEW CALIFORNIANS REJECT!

Masking and gene editing associated with the forced medical orders are detrimental and dangerous to our health and the health of our children.

The mandate of these transhuman "vaccines" is a war against humanity. **It is a war against human beings. They have declared war human beings, who adhere to the design and organic function that are inherent in our creation BY OUR CREATOR.** Indeed, they have made it illegal to be organically human.

Such a war, conducted against We the People, must be met with resolve and an unrelenting vigorous defense.

In the New California City of San Diego there is a call for the City Police to not take the vaccine as being *mandated* by the mayor. The mayor is *mandating* all San Diego Police take the jab by December 1, 2021 or resign.

Well over 40% of the force refuses to take the death jab and are wildly supported by the people of San Diego. In a rally over the weekend one speaker asked the Police to not turn in their guns and badges but to use the power of their Constitutional Authority to use their guns and badges to *arrest* the mayor for violations of his oath of office.

Its a criminal felony offense for an elected official such as a mayor to violate their oath of office. The "*mandating*" and use of a threat to take their jobs is a crime. It appears the mayor has violated his oath of office.

New California State is calling all those to rally behind our call to Statehood and Independence from these elected and unelected usurping tyrants who have attacked the very nature and essence of what it means to be human. WE WILL NOT SUBMIT TO MANDATES. WE WILL NOT COMPLY.

In New California, we echo the thoughts, convictions, principles, and ideas of the Founders of the United States of America. We will retain our humanity, our natural and unalienable rights, and our autonomy, free from the shackles of slavery to any form of government,

The coordinated design with the intent to actively engage in "**Acts of Insurrection**" against the U.S. Constitution" has become *the* "pandemic" in the Union of States we call the United States of America that must be stopped in New California State. New California State is America's last stand. ***And so it shall be stopped.***

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the U.S. Constitution.

The **Insurrection Act of 1807** and the **Emergency Economic Powers Act** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “Acts of Secession” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

NEW CALIFORNIA STATE is the answer to limiting the runaway power of the corrupt bureaucracy of tyranny, surveillance, oppression, and control by the moneyed interests of supra-national corporations, NAZI, cartels and Communist China.

Prayer

The Citizens of New California State Pray for the Military to exercise its authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law and create the restored government of California as requested by New California State to end the tyranny being foisted upon the United States of America.

This concludes these proceedings.
