*“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”*

## New California Declaration of Independence of January 15, 2018 states:

*“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.*

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

## **Preamble of the New California State Constitution states:**

*We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....*

## State of New California

# Grievance 66

### Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

### California State Government Violates the Following: United States Constitution Article IV Section 4

*"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."*

### United States Constitution Article VI

*This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.*

### First Amendment, United States Constitution

*"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."*

### Fourteenth Amendment, United States Constitution

**Section 3.** *No Person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.*

# ORDER OF THE DAY SEGREGATION

Fifteen months into the "temporary emergency orders" issued by Gavin Newsom at the behest of his globalist and communist handlers, **an infrastructure of surveillance and enforcement** has been erected around the American citizens who call California their home. Segregation now appears to be the order of the day, as employers have been coerced UNDER DURESS to begin segregating their employees between those that are "fully vaccinated" and those who are not. Such segregation and its attendant consequences for those who refuse the "vaccines" due to **conscientious objections is a blatant violation of the First Amendment of the United States Constitution.**

## SUSPENSION OF THE UNITED STATES CONSTITUTION UNDER COMMUNIST-OCCUPIED CALIFORNIA

**Gavin Newsom, the SEGREGATIONIST** and puppet governor of Communist China is a traitor to the United States citizens who are now becoming enslaved in the architecture of tyranny and dictatorship that has been quietly erected during the so-called Covid pandemic. Pitting employees and citizens against each other, using the hostile tactic of scapegoating and persecution of the "unvaccinated", who due to conscientious objections, refuse the "vaccines" **tainted with products derived from the sale of human babies and their body parts, along with dubious technologies that include gene editing and biometric surveillance**, the Governor is now on record as one of the worst human rights violators of the 21st century.

## HUMAN RIGHTS VIOLATIONS IN CALIFORNIA

Human rights are defined as norms that aspire to protect people everywhere from severe political, legal, and social abuses. By this, or any other reasonable definition, Gavin Newsom and the entire dictatorial, extrajudicial bureaucracy which has grown up around him, have established themselves as the villainous leaders of an entire campaign which is characterized as segregation and human rights abuses.

## AMERICANS BEWARE!

It is often said that whatever happens in California today, will be the norm in the rest of the nation in the future. This has certainly proven to be the case with fraudulent elections, and now is also becoming a reality with reference to human rights abuses, with such scapegoating and institutional segregation, the likes of which the world has not seen since NAZI Germany. Americans beware! Demand forensic audits. Demand decertification of illicit votes. Hold your public servants to account!

**NEW CALIFORNIA STATE** is the answer to limiting the runaway power of a corrupt and irredeemable bureaucracy of tyranny, surveillance, oppression, and control by the moneyed interests of supranational corporations and Communist China.

**New Californians - STAND YOUR GROUND!**

## **Insurrection**

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in “**Acts of Insurrection**” against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## **Acts of Secession**

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in “**Acts of Secession**” and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## **Abdication of Authority**

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of “**Abdication of their Responsibilities of Authority and Sovereignty**” over the Citizens of the United States living in California State.

## **Prayer**

The Citizens of New California State Pray for the Military to exercise its **authority under continuity of government and the Insurrection Act of 1807 to initiate the Military’s use of Martial Law** and create the restored government of California as requested by New California State **to end the tyranny being foisted upon the United States of America.**

**This concludes these proceedings.**
